

Puppy Adoption Contract

Address: 2506 Isaac's Ridge Morganton, NC 28655 Phone: 828-448-2869

We pride ourselves on beautiful colors and such healthy puppies!

These babies have been given a good health score. Check out our newest litter on our photo page!

A non-refundable placement fee of \$350 is received before babies are born. This assures you of getting a puppy. Please print and send this contract to the address above with \$350. If sending a check please make it out to: Carolyn Willis and on the memo line please put Zuchon Baby. For your convenience we also use PayPal. There is a small fee for this service.

A Non Refundable Deposit once puppies are born and are 4 weeks old of \$825 is due with this Signed contract. If you have already sent the signed contract with a placement fee you do not have to send the contract again, just the \$825. We try very hard to help you pick a puppy that will fit your lifestyle and family! I will send pictures via email. The last portion of your payment is due in cash on delivery/pick-up of your puppy. The amount due depends on whether you have sent a Placement Fee. Your new baby comes with a kennel, blanket, health guarantee, health records, papers on his/her first 8/10 weeks of life, registration papers and lots and lots of love to give. Total price of your baby is \$2,000. Payments are due at 4 weeks of age and the remainder is due in cash when you pick your baby up. The \$350 deposit is subtracted from your total.

Please take your baby to your vet during the first 7 days after you have picked him/her up. If in the event your vet finds a life threatening congenital illness with your baby, we will refund your money or another puppy given. Once your vet has sent us the documentation and our vet has reviewed it and agrees with the diagnosis. Here at Cavern Hill Zuchon we have put years into developing happy healthy babies. We do not make any guarantees for Cherry

Eye, Umbilical Cord Hernias, Heart Murmurs less than a level 3 (certified by a licensed vet that specializes in Cardiology). We do provide a "Life Long " policy. If for any reason you can not care for your puppy/dog you can return him/her to us in good health and with original paperwork. We love our puppies/dogs and want only the very best for them!

If in the event he/she should become sick before he/she is picked up and we are unable to provide you with a puppy, the deposit would be refunded or the choice of another pup given.
